

Lying Cat Coffee Cozy

by CannedIceCreative

My coffee's getting cold!

If you love Saga as much as I do, you need this cozy in your life. Super easy and can be made in an hour or so.

If you need help or find any errors that I missed, contact me @doubletake on Ravelry.

Supplies

- 5.00 (H) Hook
- Finishing needle.

Yarn

- Aqua Knit Picks Wool of the Andes Worsted in Wonderland Heather
- Yellow Vanna's Choice in Duckie
- Black Vanna's Choice in Black

Abbreviations (US Terms)

- sl st = slip stitch
- ch = chain
- sc = single crochet
- hdc = half double crochet
- MC = magic circle
- inv. dec (or dec) = inverted decrease/decrease (also known as sc2tog)

- * Always SC into same stitch as first ch.
- * You can use inverted decrease instead of regular decrease.
 - Just put hook through front loop only for both stitches and it doesn't show as much.
 - You can also alternate where you do your decreases. I kept them at the beginning of the rounds for demonstration purposes.
