DIAGONAL PUFF STITCH SCARF

by Candice D. Miller, http://www.cannedicecreative.com/

Please let me know if you find any errors in this pattern! If anything doesn't make sense, feel free to email me at candice@cannedicecreative.com.

I love using puff stitch, but had only been able to find patterns where it was used horizontally. To spice things up, I created a diagonal pattern with it and this scarf was the result. Depending on the type of yarn used, it could be a great summer OR winter accessory.

Finished Size: (Sock weight yarn) 54", 27" folded in half for infinity scarf.

Hook: Use the hook recommended for your yarn. I ended up using a slightly larger hook for the sock-weight yarn (I-hook) because it made the puff stitches easier.

Gauge: Gauge isn't important, just try and make all the puffs look the same size.

Skill Level: Beginner

Notes:
Felici yarn is sock yarn, which is why I had 7 puffs. (Using I-hook) – 2 balls, 7 Puff stitches across
Chroma is worsted weight, so I only needed 4 puffs across. (using J-hook) – 2 balls, 4 Puff stitches across

Abbreviations:

St = stitch

8Puff = puff stitch made by yarning over through the st 8 times then finishing off.
7Puff = puff stitch made by yarning over through the st 7 times then finishing off.
Ch = chain
Sk = skip

Puff stitch explanation: (Keeping the stitches loose on your hook during this stitch helps immensely!)

7Puff: Yarn over, insert hook through stitch, yarn over and pull through. Do this 6 more times, then YO and draw through all stitches on hook, then YO and draw through loop.

8Puff: Yarn over, insert hook through stitch, yarn over and pull through. Do this 7 more times, then YO and draw through all stitches on hook, then YO and draw through loop.

Instructions:

Row1: Chain 16 (13+3). (Ch3 counts as first DC in the puff st)
Row 2: Puff stitch (7Puff) into the 4th chain from hook. Ch1, sk1 ch, 8Puff/ch1 into next ch. Continue the pattern of (8Puff/ch1/sk1ch) until end of row. Ch3, turn.

(7Puff into 4th ch from hook)

(Chain 1, skipped one chain, 8Puff/Ch1 in next st)

(Row #2 Complete)

Row3: 7Puff into top of first stitch, then 8puff into ch1-sp after first st. Continue down the row, 8Puff in each space. (This is the "going downwards row") After last space, ch3 and turn.

(ch3, then 7Puff into top of 1ˢᵗ st)

(8Puff into next space between stitches from the previous row)

Row #3 complete

Row4: 7puff into the space after the first stitch (this will be the "going upwards row"), then 8Puff into each space until the last st. 8Puff into the top of the last st. Ch3, turn.

(Ch3, 7Puff into first space)

Row #4 ALMOST Complete

(8Puff into top of last stitch of Row4)

(Row 4 complete)

Starting Row 5 (aka row 3), ch 3, 7Puff into top of first st)

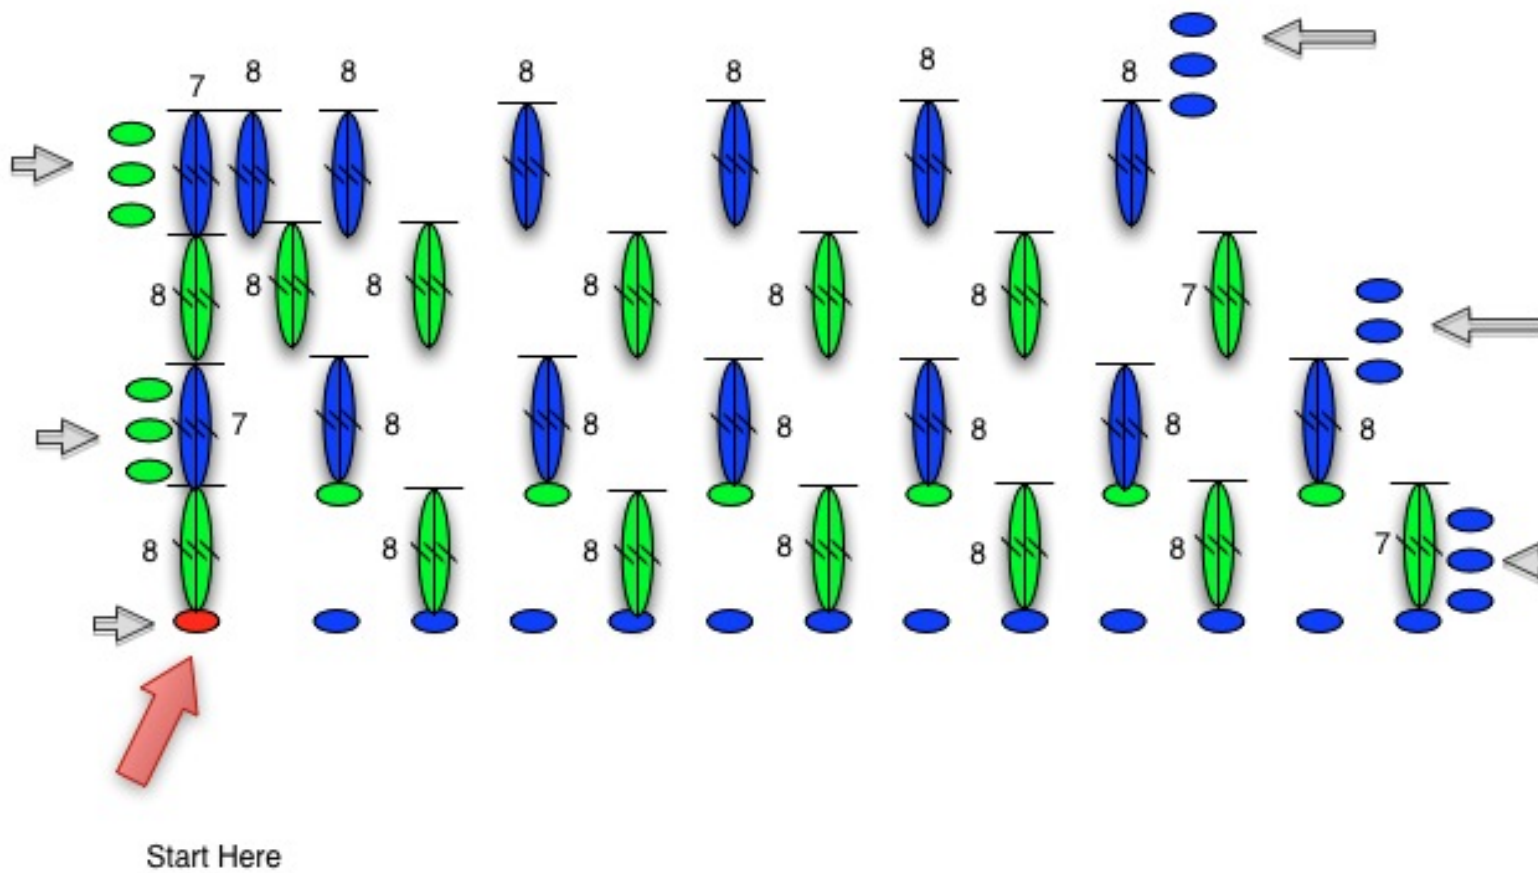

Row 5 complete

Starting row 6…

Repeat rows 3 and 4 until scarf is the desired length, then match up the ends and sew together. (or not, completely up to you!) You're basically increasing on the "top" end of the scarf and decreasing on the "bottom" end. This creates the diagonal pattern.
